Delhi-Mumbai expressway will ease traffic load, says Gadkari

completed, the Delhi-Mumbai Expressway will ease the current traffic load on the Pune-Mumbai Expressway, Union transport minister Nitin Gadkari said today after reviewing various road projects in Pune and

western Maharashtra. Addressing a press conference after inspecting the under-construction multi-level flyover project at Chandni Chowk in Pune, Gadkari said he had instructed officials concerned, contractors and local civic bodies to prepare a plan to ensure that the work gets completed during the next one year. The BJP MP also reiterated that motorists would have to pay road tax if they need "good services". "The Delhi-Mumbai Expressway work going on. (Once completed), it will ease the traffic load on Pune-Mumbai Expressway as a bulk of traffic between northern and southern states currently pass through the Mumbai-Pune told

newspersons. The Delhi-Mumbai Expressway is a proposed 1,250-km long controlled-access highway connecting the national capital with the commercial capital of the country.

Gadkari said the main reason behind heavy traffic on the Pune-Mumbai expressway is that vehicles coming from northern states pass through this highway to travel further towards southern states. "But the proposed 12-lane Delhi-Mumbai Expressway will ease the traffic congestion Mumbai-Pune expressway and other westerly highways," he said. The minister said once the Delhi-Mumbai Expressway reaches Surat in Gujarat, the south-bound traffic can be diverted using a new alignment (Surat - Nashik -Ahmednagar- Solapur). "This will ease the traffic load on Pune-Mumbai Expressway and other highways, and also bring down vehicular pollution," he added. Talking about the development and fourlaning of the route from Pune that is used for

palaquins Dnyaneshwar and Sant Tukaram by devotees of Lord Vitthal, Gadkari said the work was going on at high speed. "Since the project is close to my heart, I think that beautification of the route should be done with the help of putting the couplets from 'abhangs' and songs devoted to Lord Vitthal along this route," he The minister mentioned that devotees can also suggest some ideas which can be implemented for beautifying the Palkhi Road. After inspecting the work of the multi-level flyover project at Chandni Chowk, the minister said: "I was told that the deadline to complete this project is 2023, but looking at the hardships inconvenience caused to the public due to the ongoing work, it is not

feasible to wait till 2023". "I have asked all officials concerned and contractors prepare a plan to complete the project in the next one year," he added.

J & K's development Modi govt's top priority: Shah

NEW DELHI, FEB 13 /--/ Union home minister Amit Shah asserted in the Lok Sabha today that the Modi government has done more for Jammu and Kashmir since Article 370 was scrapped in August 2019 than those who ruled it for generations, as he reeled out statistics to assert that its development has been the government's top priority.

Replying to a discussion on the Jammu and Kashmir Reorganisation (Amendment) Bill, Shah slammed opposition members for their claim that the proposed law negates the hopes of the region getting back its erstwhile statehood. This legislation has nothing to do with statehood, and Jammu and Kashmir will be accorded the status at an appropriate time, he said. According to the home minister, the region's union temporary and then took a swipe at the Congress and

Jammu and Kashmir has been a top priority for the current government since it took power in 2014, he said.

Decentralisation and devolution of power have taken place in the union territory following the revocation of Article 370, Shah said, noting that panchayat elections saw over 51 per cent voting. Panchayats have been given administrative financial powers for local development, something they lacked earlier, he added. Now people chosen by the masses will rule
