

Mainstreaming of India's cultural identity intense in recent times: Ram Madhav

GUWAHATI, FEB 4/--/ The mainstreaming of India's cultural identity has been so intense and strong in recent times that even the so-called liberals have been forced to proclaim it openly. RSS National executive member Ram Madhav said here on Thursday.

However, there is also a dangerous trend of a totally opposite discourse that is being injected into the body politic of the country, he said. Attacking Congress leader Rahul Gandhi for his speech in Parliament and former Vice-President Hamid Ansari on his views on nationalism, the former BJP national general secretary said while Indians are happy to

identify themselves with their cultural values, there are alternate forces who try to reject them. "We witness a dichotomous situation at a time when a great national awakening has taken place and there is a general sense of pride in our culture and civilization," Madhav said during a discussion on his book *The Hindutva Paradigm - Integral Humanism and the quest for a non-western worldview*.

He claimed that Ansari questioned the very nationalistic identity of the country on Republic Day by saying that India should not have cultural nationhood but should follow civic nationalism, which has become popular in Europe recently due to large scale immigration. "This concept of civic nationalism is now being taken forward by Rahul Gandhi when he openly declared in Parliament that 'we are not a nation at all but a union of states'. If we are not a nation, then what was his great-grandfather doing fighting the British." Then what was Nehru talking about when he said in his famous 'Tryst with destiny' speech when India attained independence that the long suppressed soul of a nation is finding expression today," he said. There is no relevance of civic nationalism in India because there are no immigrants in India, Madhav said. People may

have different religions and there may be illegal migrants who will be identified and taken care of by constitutional means but India's Muslims or Christians have not come from outside, he asserted. "They are very much a part and parcel of our society and in history, at some point, they changed their religion but a mere change of religion does not remove them from their cultural roots," Madhav said. He described Rahul Gandhi's reported statement "we are not a nation at all" as a "very dangerous type of argument". Madhav said the constitution has kept India united but Indian nationalism did not begin in 1947 and India has been a nation for millennia. According to the senior RSS functionary, at the convocation of Aligarh Muslim University in 1948, Nehru had said he belonged to a nation of great antiquity and takes pride in his ancestors, history, and asked the students whether they felt that pride. Nehru had said he did not suspect the patriotism of the students but there were forces in the country that are trying to spread the sentiment that "we are not one", Madhav pointed out. Madhav said India's first prime minister did not realise that seven decades down the line, his own great grandson will become "that danger". (PTI)

Auction amount of record-breaking tea donated to Assam CM's Relief Fund

DIBRUGARH, FEB 4/--/ The amount of Rs 99,999 fetched by a kilogram of specialty tea last year in Assam, which is the highest auction price fetched by any tea in the country, was donated by the sellers to the Chief Minister's Relief Fund on Friday.

The managing director of Manohari Tea Estate, Rajan Lohia, handed over a cheque of that value to chief minister Himanta Biswa Sarma here. Lohia said the Manohari Tea Estate has been donating all amounts collected by its tea sold at any record-breaking auction price over the years to the government's welfare funds. 'Manohari Gold', produced by Manohari Tea Estate, had sold for Rs 99,999 at Guwahati Tea Auction Centre (GTAC) on December 14 last year. This is the highest auction price fetched in tea selling and buying in the country so far, with Sourabh Tea Traders procuring the kilogram of the tea that was put for auction. Manohari Gold Tea had previously sold for Rs 50,000 per kg at the GTAC auction in July 2019, which was the highest auction value at that time. Gold Tea from the same estate was auctioned for Rs 39,001 per kg on July 24, 2018, at the GTAC, which was a record price then. (PTI)

Tripura: BSF personnel injured as ganja smugglers pelted jawans with stones

AGARTALA, FEB 4/--/ A BSF constable was injured when some suspected ganja smugglers pelted jawans with stones in South Tripura district on Friday, a senior officer of the paramilitary force said.

However, cannabis worth Rs 1.25 lakh was seized from the spot as the accused fled leaving behind the consignment. The incident took place when the Border Security Force (BSF) personnel were carrying out an operation in Rangamura near the India-Bangladesh border, he said. The BSF personnel spotted some people, and on being challenged, they started pelting the jawans with stones. Constable Binod Soren sustained injuries on his forehead, and he was later treated at a nearby health facility, the officer said. The ganja smugglers fled the spot leaving behind the consignment, which has been handed over to the police and a case registered with PR Bari police station for further investigation, he added. Single-day recoveries top fresh COVID-19 cases in Arunachal

ITANAGAR, FEB 4/--/ Single-day recoveries outnumbered fresh COVID-19 cases in Arunachal Pradesh, as 404 patients recuperated from the disease, while 226 people tested positive, a health department official said on Friday.

The state's coronavirus tally rose to 63,119, and 60,632 people have so far been discharged from hospitals, he said. The death toll increased to 291, after a woman succumbed to the

virus at a health facility on Thursday. State Surveillance Officer (SSO) Lobsang Jampa said.

Of the new cases, 61 infections were registered in the Capital Complex Region, 31 in Lower Subansiri, 23 in East Siang, 20 in Lohit, 16 in West Kameng and 13 in Tawang district. Arunachal Pradesh now has 2,196 active cases. The Capital Complex Region, comprising Itanagar, Naharlagun, Nirjuli and Banderdewa

areas, has the highest number of active infections at 757, followed by Lower Subansiri at 263, West Kameng (145), Papumpare (116) and East Siang (104), Jampa said.

A total of 12,44,945 samples have been tested for COVID-19 thus far, he said, adding, the positivity rate stood at 11.31 per cent. State Immunisation Officer Dimong Padung said altogether 15,86,614 people have been inoculated till date. (PTI)

Khandu re-elected president of Arunachal Pradesh Football Association

ITANAGAR, FEB 4/--/ Chief minister Pema Khandu was on Thursday re-elected the president of Arunachal Pradesh Football Association (APFA) for the next four years during its annual general body meeting held at Tawang. Khandu was unanimously elected President of the Association four years ago for the first time.

Thanking APFA members, representatives of various district football associations (DFAs), he said it would be his privilege to lead the body and contribute to the development of football as well as other sports in the northeastern state. You must understand that as chief minister of the state, I will not be physically available

for all decisions and events of the Association. But whenever my personal intervention as president of APFA is needed I will be there, he said. Khandu asked the APFA to work in close tandem with the department of sports, particularly the district football associations and with the district sports officers, an official communiqué said.

He admitted that help in terms of grants or funds from the government would not suffice as there are about 39 associations of various sports registered with the sports department. Instead of depending on the government for grants, APFA will associate with business houses and invite them to sponsor events or teams so

that young footballers can be groomed while maintaining the popularity of football with the masses, the chief minister said.

Khandu said it is the responsibility of APFA to rejuvenate and review the defunct district football associations. Setting the tone for future objectives of APFA, the chief minister said his endeavor in the next four years would be to promote women's football, scout and nurture young talents, allocate one football ground each to all DFAs and enhance the Tadar Tang State Level Football Tournament grant from Rs 20 lakhs to Rs 50 lakhs, which is the only annual event conducted by APFA.
